Dear Mr. Moeller:

Re: 1986 Annual Report, ACT/045/019, Yellow Hammer Pit, Tooele County, Utah

Enclosed is the annual report form that must be completed and returned to the Division by March 31, 1987. This report details the mining and reclamation activities during 1986 and should include an updated map of all of American Consolidated Mining Company's operations in Tooele County.

It has also come to my attention that you have not submitted a Mine and Reclamation Plan for the Yellow Hammer Pit nor a Declaration of Exemption for the Clifton Heap Leach as of this date. Please be advised that failure to submit this information will result in an order to show cause before the Board of Oil, Gas and Mining to answer why all operations should not be required to cease and undergo reclamation of disturbed areas.

Please contact John Whitehead of my staff if you have any questions.

Sincerely,

Lowell P. Braxton
